

Dreamy 280 Farm Fresh Meats, LLC

The Schlimgen Family

Dreamy 280 Farm Fresh Meats, LLC is proud of our farm and our animals are given the utmost of care and respect. We feel that it is our responsibility to be good stewards of the land and implement sustainable farming practices. Our cattle are fed the grains and forages we grow on our farm. They have constant access to pasture, receive a clean water supply, and their shelters are well maintained with bedding. The beef we produce is humanely raised without animal by-products or hormones and is free of antibiotics.

CUSTOMER TESTIMONY

“Dreamy 280 Farm Fresh Meats, LLC has the best beef out there. After our first year of purchasing from them we decided we would never buy grocery store beef again. That was many, many years ago and we still have not bought beef at the grocery store. Dreamy 280 Farm Fresh Meats, LLC makes the whole process non-stressful. All the beef is very high quality. Absolutely nothing melts in your mouth like Dreamy 280 Ribeye!” Ann Smith, Mt. Horeb, WI
